Include all pertinent information (parent, child, divisional, or issued patent numbers) along with the appropriate serial number.
- ***For Foreign Patent Family Searches Only***

Include the country name and patent number.

- Provide examples or give us relevant citations, authors, etc., if known.
- FAX or send the **abstract, pertinent claims** (not all of the claims), **drawings, or chemical structures** to your EIC or branch library.

Enter your Search Topic Information below:

A console 27 (or kiosk) such as found between the front seats of a car. The console has a storage area covered by a lid 26. The lid has a first hinge so that it swings opened and closed (pivotal movement). The lid has a screen 12 (television, LCD or such) mounted in it on a frame 10 with a second hinge 11 so that the screen swings from an opened to closed position. When the screen is in the closed position it is protected. See figure 3.

Enclosed is claim 1; figure 3; and my EAST search history.

Special Instructions and Other Comments:

(For fastest service, let us know the best times to contact you, in case the searcher needs further clarification on your search.)

Press ALT + F, then P to print this screen for your own information.
